<i>Tasting Notes</i>	The '08 Zin's inky color and brooding aromas are entirely compelling. This wine combines myriad traits – black fruit, clove, marzipan, cinnamon, soy and raspberry. The mid-palate shows depth and concentration. Blackberry, currant and ripe plums sit in the front row on this rich, round wine. The back palate shows enough structure to be a wonderful accompaniment to an array of meats and barbecue dishes. This is a powerful wine! Aged correctly, this wine will evolve for 5-8 years.
