<i>Tasting Notes</i>	<p>This wine shows a deep purple color that creates a beautiful purple hue to the rim. Aromas of black currants, herbs, allspice, clove, fresh toasty oak, vanilla candle and hints of black pepper create a nose of a fruit bomb that even smells like the color purple. Great flavors of red fruit, tart berry and mocha accompanied by clean acidity do not disappoint on the palate. The varietal blend works harmoniously with the Zinfandel adding wonderful freshness while the Petite Sirah and Syrah add weight, color and backbone. The 2011 Fearless has a bright, lengthy finish with a touch of salinity to bring you back for more. Want to get to your Fearless faster? - now you can. We decided to finish the Fearless Red package with a screw cap for one reason. Fearless is a fun wine that we create to pop and pour and we want you to reach for it with abandon. Screw caps make the wine that much more accessible and, arguably, fun! Drink now through 2018.</p>
