<i>Tasting Notes</i>	<p>Pinot Noir is often cited as a temperamental grape, however for us, this couldn't have been more fun. Given the opportunity to acquire a tiny amount of fruit from the 30 acre Silver Eagle Vineyard near the Sonoma Coast, we jumped at the chance to play a little outside of the box. What resulted is a 2 barrel production that is every inch a Hunnicutt wine, while resting comfortably deep into Pinot territory.</p> <p>On the nose, classic trappings of strawberry, violet, rose petal and cola lightly embrace the senses. Once sipped, mouth filling red fruit notes are first to arrive bringing a balanced weight to the wine which gives way to a supple mid-palate and a pleasingly rustic finish with lingering hints of strawberry, rhubarb and graham cracker dust. This wine will drink beautifully with a 1-2 hour decant and will reward additional time in bottle. Drink now through 2020.</p> <p>Pair with duck, pheasant or hearty fish preparations and savor knowing that sometimes the things that challenge us are also the most enjoyable.</p>
