<i>Tasting Notes</i>	<p>Each year, one of our main goals during the blending process is to identify Cabernet lots that show attractive site specific characteristics. These lots, sometimes only consisting of a few barrels, will remain unblended, becoming what we call our AVA series, the single vineyard, 100% Cabernet Sauvignon wines that show off the beauty and raison d'être of the Napa valley.</p> <p>The Lewelling vineyard is one of the oldest continuously-owned family vineyards in the Napa Valley. Located at the base of the Mayacamas Mountains in St. Helena, when we first visited this site, we noticed that coincidentally it is also right across the road from where Justin lived when he first moved back to the valley shortly before starting HUNNICUTT. Thus we have dubbed this 100% Cabernet Sauvignon production "Wayside". We love this vineyard and the history it carries with it, both for us and the valley as a whole.</p> <p>This wine will be a wonderful addition to any cellar and will reward careful aging over the next 10 to 15 years. That said, if like us your palate rewards bright fruit and firm but fine tannins, feel free to enjoy over the next 3 to 5 years with a long decant and a thoughtfully paired meal.</p>
